English

Lion is thirsty, so he goes to get a drink of water from the pond.

He goes into the water to take a drink.

After drinking, Lion tries to get out.

He is stuck in the mud!

A moment later, Monkey comes walking by the pond.

Lion sees Monkey and calls out, "Help me!"

Monkey pulls Lion out of the pond.

They both rest for a moment under a tree.

While he is resting, Lion realises that he is hungry.

He turns to Monkey and says, "I am hungry now, so I will eat you!"

"Why are you going to eat me after I just saved you?"
Monkey asks.

He is frightened.

As they are talking, Fox comes walking by.

He can see there is a problem.

"What is wrong?" asks Fox.

Monkey cries, "I saved Lion and now he is going to eat me."

Monkey is so scared that he doesn't realise he can save himself!

Fox sees the tree. "Look up to the sky," he tells Monkey.

Monkey looks up.

He jumps into the tree and climbs to the top.

Monkey is safe at the top of the tree.

Fox quickly turns to run away before Lion can eat him.
